## Requirements for the inspection of gambling functionality

It shall be recorded whether a requirement has passed inspection or not. If the inspection of the requirement is not passed it must be recorded below and **the appendix must be used**. Here the reason for the failed inspection must be described and when the failure was or is expected to be remedied. It is important that all failed inspections are recorded, even if the failure has been remedied before the submission of the certification report. A description of the requirements can be found in the *Inspection Standards for Land-based Betting*.
