Suppliers

It is the responsibility of the licence holder that their supplier(s) are inspected. The inspection organisation shall ensure that the licence holder's supplier(s) are inspected in accordance with the Danish certification programme in the period from the previous inspection to the current inspection. Fill in the table below with information on any supplier's inspections.

Name of supplier	Are all requirements met? Yes/No

Remember to fill in the table in the appendix with all games covered by the test.

Requirements for the inspection of gambling functionality

It shall be recorded whether a requirement has passed inspection or not. If the inspection of the requirement is not passed it must be recorded below and **the appendix must be used**. Here the reason for the failed inspection must be described and when the failure was or is expected to be remedied. It is important that all failed inspections are recorded, even if the failure has been remedied before the submission of the standard report. A description of the requirements can be found in the *Inspection Standards for Land-based Betting*.
